withstanding the objection of the Governor. That is the issue that you are voting on. OK, the Clerk will proceed.

CLERK: Roll call vote. 22 ayes, 21 nays and 6 not voting. (vote appears on page 1143 in the Journal).

PRESIDENT: Senator Barnett.

SENATOR BARNETT: Mr. President, I would like to change my vote from yes to no for purposes of reconsideration.

PRESIDENT: Senator Barnett changing from yes to no for purposes of reconsideration. Senator Barnett, changing from yes to no. Senator Keyes voting no. Senator Marvel was up first, I think Senator Waldron. Senator Marvel.

SENATOR MARVEL: Go ahead Senator Waldron.

SENATOR WALDRON: I move the call be raised.

PRESIDENT: Motion is to raise the call. All those in favor of raising the call vote aye, those opposed vote nay. Clerk will record.

CLERK: 37 ayes, 0 nays and 12 not voting.

PRESIDENT: Call is raised. Before we grant the floor to you Senator Marvel, will you stand by for a moment. We have 40 Seniors here this morning that are visiting from Gibbon High School, they are seated in the north balcony. They are from Senator Stromer's district, their instructor is Monte Standish and we are delighted to have you here today to observe the activities of the Nebraska Unicameral Legislature. We hope that you enjoy your visit to the Capital City and also to the still ranking tenth architectural achievement of the world. Now, Senator Marvel, back to you sir.

SENATOR MARVEL: I wish to report on the appropriations progress and hopefully to get into the discussion yet today first of all you have on your desks a dated March 18, 1974 a some discussion on projected income and projected and projected expenditure. I call this to your attention because this is a part of the package, that the appropriations committee worked on over the week-end or at least since a... lets see, Thursday, Friday and then the staff worked on it over the week-end. That is the first item. Secondly there are two bills to be introduced this morning 1053 and 1054 which are two appropriation bills and I have motions on the desk to suspend the rules and first of all introduce the bill or ask permission to introduce the bill and secondly to put them at the head of general file. There are two other bills that are in final proof form and within the short time you will be given a work copy of the Capital Construction bill and a work copy of the Deficiency Bill. So that within short order you will have all of the information that is available upon which you can make decisions. Now, Mr. President, is it in order for me to pursue the motion now to get these bills on General File?

PRESIDENT: Senator Marvel before the...the Chair was just going to call to your attention that before I get in between a rock and a hard place here, I'm going to have to have some sort of a motion to suspend the adgenda, because we have a bill on Final Reading, 972, which under the rules of the
